

RENT A GARDENER (PTY)LTD
INC RENT A DOMESTIC™
Garden Maintenance Service Options

Welcome to Rent a Gardener (pty)LTD, INC Rent a Domestic TM

Mission

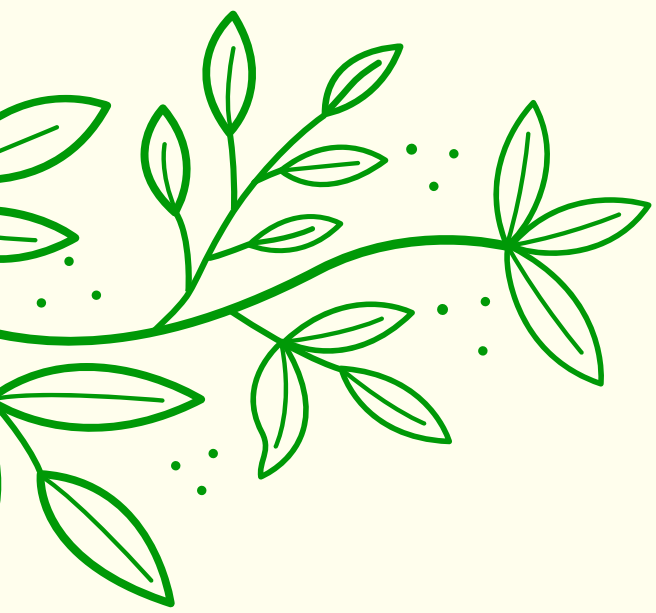

Our mission is to source, train and employ the best available staff, who are honest, loyal and reliable. These staff members will add value to your property and lifestyle.

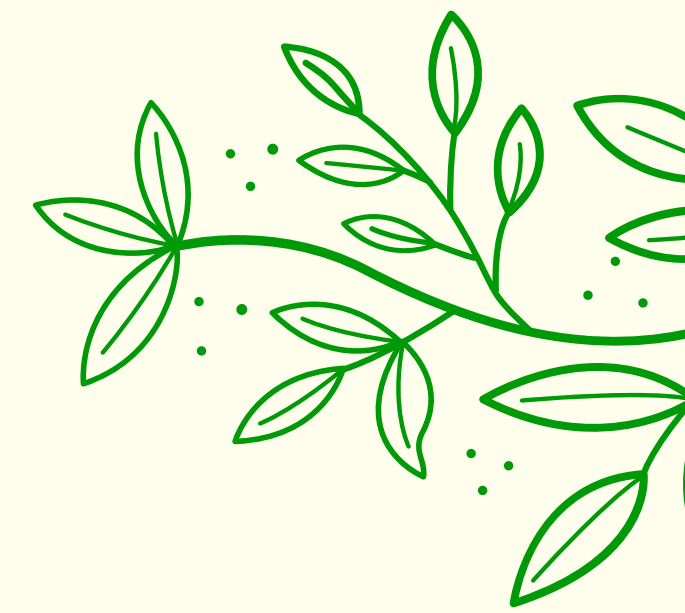

Nurture The Environment Today

Achieving and maintaining a manicured garden look requires significant time and consistent effort for tasks such as regular mowing, edging, pruning, weeding, and fertilizing. This ongoing maintenance ensures the landscape's visual appeal and promotes the health and vitality of plants and lawns.

Our Garden Maintenance Service Options

We offer basic, standard, executive, custom and a combo garden & pool maintenance services

Custom garden maintenance services

Our custom garden maintenance services is the option which the client or the contractor can customize the garden maintenance service deemed necessary. This can be some or all the services in our basic, standard & executive garden maintenance services.

This service is for a client who wants a choice to only use some of the garden maintenance services.

Combo garden & pool maintenance services

Save time and money by using both our garden and pool maintenance services on the same day and at the same time. We save money and pass the savings on to you, our valued client.

This service is for a client who wants to save time & money. By maintaining your garden & pool at the same time we save money and pass the saving on to you.

Pool maintenance services

- Hand vacuum the floor and steps of the pool once a week.
- Brush the steps and walls of the inside of the pool once a week.
- Backwash and rinse the pool filter as well as clean all in-line baskets once a week.
- Remove leaves, lawn clippings & debris floating on the surface once a week.
- Test the pool water & add pool chemicals supplied by the Contractor once a week.
- Filter service and sand change once a year between September and November.
- Clean the mosaic tiles once a year between September and November.

Regular pool maintenance service is important because it ensures safe and healthy water, prevents costly equipment damage and repairs, maintains the pool's aesthetic appeal, and extends its overall lifespan.

What Our Clients Say

OUR CODE OF ETHICS

- To maintain the standards of honesty, integrity, and fairness in all matters
- To honour all our commitments
- To provide a service to the full extent of our abilities
- To attain the highest level of confidence between our clients and ourselves
- To consider the cleaning profession a worthy and affordable opportunity to serve society
- To extend to others, the same treatment that we wish to receive from them

Martin Jankelowitz

Professional operation. Highly recommended.

Francois Swart
